

A Gift For You!

You've received the gift of your stories
preserved forever.

**Remento turns recorded interviews
into a keepsake book of stories.**

With Remento, it's never been easier to create a book of your best stories - no writing required. As a storyteller, you'll receive a new storytelling prompt each week. From any device, you'll record your answer - no downloads, logins, or passwords required. Remento then turns each of your recordings into a written story. After a year of sharing stories, Remento prints the collection into a hardcover, color-printed book, full of QR codes that link to your original recordings.

A light blue rectangular background with decorative elements. In the corners, there are clusters of circles in various shades of blue and grey, some with white outlines. Scattered throughout are small, white, four-pointed starburst shapes. The text "Happy Father's Day!" is centered in a black serif font.
